

# COPLINE™

An Officer's Lifeline 1-800-267-5463

## What is Copline?

Copline is a nonprofit, non-rescue line and strictly confidential. Callers can trust that their agencies will not be informed.

## How it Works

- An officer calls 1-800-COPLINE and the line is answered by the peer on that shift. Lines are connected to the retiree's location through a number that they provide.
- Licensed clinicians are always on call to assist the volunteer when a call goes beyond his or her training.

**Copline is operational 24  
hours a day / 7 day a week**
